

12 Items to Watch For

- Players warming up around bleachers, Bull Pen fences are they high enough?
- Location of Porta-Potties, are they level and is the ground clear around them?
- Park at your own risk signs in parking lots close to fields.
- Audit for keys left in power equipment exposed to children.
- No kids vs. the adults games
- No Alcohol served at any Little League functions (i.e. meetings or official hospitality rooms, fund raisers, etc.).
- League's need to call if they are having fund raisers other than kids selling to check on insurance coverage.
- If your league holds clinics they need to call first to check on insurance coverage.
- If a child is not old enough to work in a fast food restaurant, then they can not work in concession stand based on child labor laws.
- If league has an upstairs meeting area or score tower, they should put gates at the top of the steps for safety.
- End of Season parties are not covered by insurance unless it is a division meeting/party
- Do not put names on the uniforms. This is to help stop predators.
