

The Parent Guide to Little League Registration

Like learning to ride a bike and heading off to school for the first time, signing your child up for Little League® is a rite of passage for millions of boys and girls around the world. And walking into your local league's registration is the first step toward making life-long memories for the entire family.

Whether it's the first time you're signing your children up for Little League, or you're a veteran Little League family, there are important things to remember going into registration. If you're not sure where to sign up your future Little Leaguers®, use Little League's League Finder. You also have the option of registering for the league where you reside, or the league where your children attend school. If you can't find a league there, contact Your Little League Regional Office and the staff can point you in the direction of your local league or your area's District Administrator.

Once you find your league, check with the local league officials to see what different Little League divisions are available for your children.

When you're ready to head to registration, remembering what to bring when signing your children up is essential. Little League works hard to make sure that our playing field is an even one, so we require you to bring information to confirm where you live or where your child attends school and your children's age.

When registering for the league where you reside, residence shall be established and supported by documents containing the full residence which includes parent(s) or guardian(s) name, street address, city, state and zip code information, dated or in force between February 1, 2017 (previous year) and February 1, 2018 (current year), from one or more documents from each of the three Groups outlined below:

Group One

Driver's License
School records
Vehicle records
Employment records
Insurance documents

Group Two

Welfare/child care records
Federal records
State records
Local (municipal) records
Support payment records
Homeowner or tenant records
Military records

Group Three

Voter's Registration
Utility bills
Financial records
Medical records
Internet, cable or satellite records

You can also register your child for the local league whose boundaries where they attend school is located. School attendance shall be established and supported by a document indicating enrollment for the current academic year, dated prior to October 1, 2017 and with the physical location of the school, from ONE of the following categories to determine school attendance by such player:

1. Official/Certified school enrollment record dated prior to October 1, 2017
2. A Little League issued school attendance form completed by the principal, assistant principal or administrator

The other verification needed is your children's age. Bring an original birth certificate or other proof of age document that has been issued by a federal, state or provincial government in the country in which the Little Leaguer is participating. Your children's age may have an impact on what division of baseball or softball you are registering for. To calculate their Little League age, use our online tool.

If you have any questions, don't hesitate to contact your local league, District Administrator or the Regional Office. We are all here to make sure you and your Little Leaguers have a great season. Once your child is registered, your family is on its way to being a part of the world's largest youth sports organization. Thanks to your dedication, this year, will be a year of excitement on the field and off, for you and your children.
